Making a Booking:

Once you have a Clubsparks account you can login to our Buckingham Tennis Club Booking Page by [clicking here](#). Once you are successfully logged in, you should be able to check court availability by date.

All court bookings are for a minimum of 1 hour.

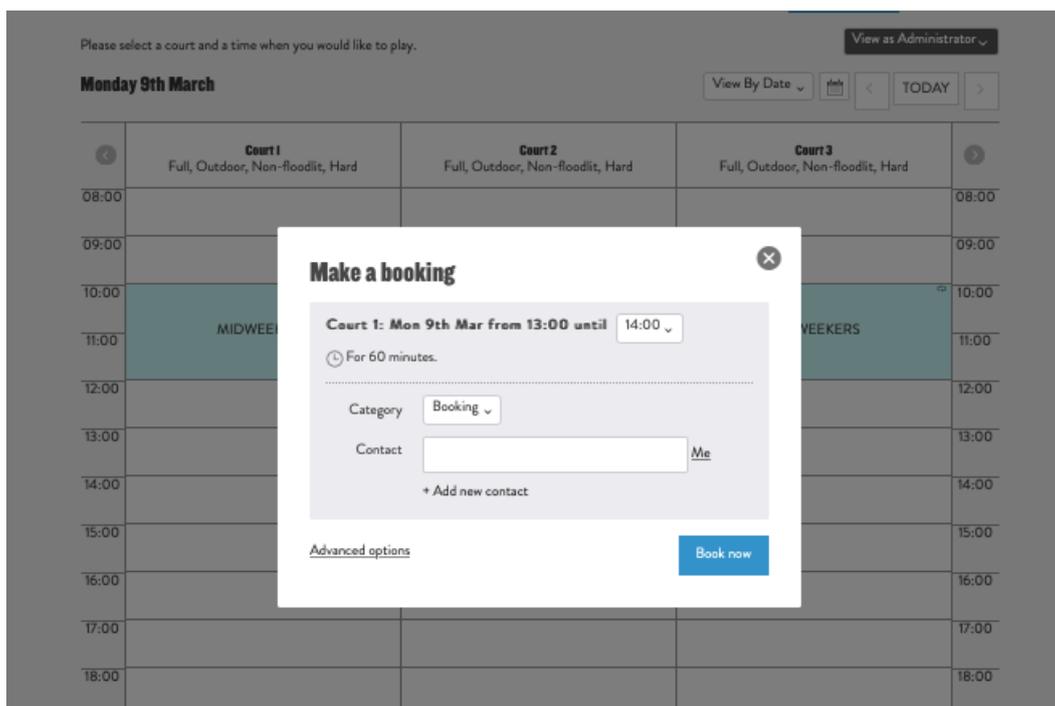

The screenshot shows a web interface for booking tennis courts. At the top, there's a 'Booking' header and navigation links for 'MAKE A BOOKING' and 'MY BOOKINGS'. Below this, a prompt asks the user to 'Please select a court and a time when you would like to play.' There are buttons for 'View as Guest', 'View By Date', and a calendar icon. The date 'Monday 9th March' is selected, with 'TODAY' also visible. The main area is a grid with three columns for 'Court 1', 'Court 2', and 'Court 3', each described as 'Full, Outdoor, Non-floodlit, Hard'. The rows represent time slots from 08:00 to 19:00. The 10:00-11:00 slot is highlighted in light blue and labeled 'MIDWEEKERS' in all three court columns. Small padlock icons are present in the bottom right of each cell in the grid.

BOOKING PAGE

It's easy and intuitive to use. To book, select date, court, time and duration and you should get a screen similar to this:

MAKING A BOOKING

Once you have made your selection, enter your contact email address in the Contact box, and then press the blue Book now button in the bottom right hand corner of the box. You will then be sent an email confirming your booking and also giving you the gate code for the tennis courts entry gate.

If you get stuck or need help, click on this [link here](#).

You can also edit and cancel a booking online, again click on [this link](#) and check options in left hand column for further info on how to do this.

Parents will have to set up an account and book on behalf of junior club members.

Please note, you will NOT be able to make a booking online before Monday 9th March. The Old Gaol will no longer be handling our court bookings after Monday 9th March, as it is not feasible to run a paper booking system in parallel. The only way to make court bookings from this date is online.

If you run into any difficulties, please check the [online help](#) in the first instance. This is your fastest route to help.

If that still doesn't work, send a description of your problem, and ideally a screenshot of any error message to m100.tennis@gmail.com
